

# ESSEN MOTORSHOW 2014 6.des

# The entrance

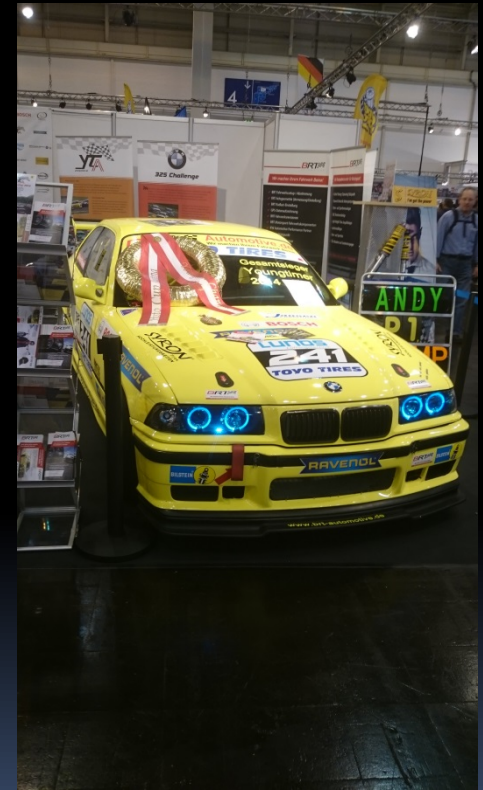

They had a huge market for car parts like rims, tires and bumpers and lots of other special custom parts like coilovers, painting (with foil) and seats, leather and lots of other things.

Some cars from the motorshow.

Mitsubishi from fast and furious the first film they made.

**The motorshow was a fun, Interesting and interesting experience that we won't forget. We would love to experience it again in the future.**

**Thanks for having us.**
